

Special warranty conditions

The product must be coded and adapted by an authorized Mercedes workshop

In order for the warranty conditions to be met and the warranty to apply to this product, the product physically must be taken to a authorized Mercedes workshop for encoding and adaptation. This condition has been accepted in connection with ordering.

If Hellsten Gears AB together with the customer agree that there is a manufacturing defect in the product, the product will be replaced with another equivalent product. Hellsten Gears AB does not pay any labor costs linked to replacements. Hellsten Gears AB also reserves the right to repurchase instead of product replacement.
